

# DUCKMOMMY

Got questions? Ask DuckMommy!

Presented by:

- Yuan Zhang
- Boyu Wang
- Vignesh Mohan
- Lifu Xiao

# OVERVIEW

DuckMommy is a service aiming to help your study with **all the information you want to know about a course.**

- You don't have to get wet because you forgot to take the umbrella.
- You don't have to dive into the Canvas searching for your professor's email address or office hour.
- You don't have to face an ugly final just because you thought those courses were easy when you selected them.

# FEATURES

DuckMommy provides:

- Reminder
- Homework helper
- Workload evaluation

# REMINDER

Reminder that prepare you for every course

- class timetable
- classroom location
- weather forecast
